# Dirt Bike 125cc
# Engine Sound Pack

By: Yugel Mobile

## Thank you for purchasing Dirt Bike 125cc – Engine Sound Pack.

This package is a part from „Realistic Engine Sounds - Pro" Unity Asset.

# Package includes:

* Acceleration and deceleration wav files for exterior and helmet camera views

* 18 wav files (9 for helmet and 9 for exterior camera views)

* 6 demo sounds

* Prefabs for „Realistic Engine Sounds" Unity Asset Package

# There are total 24 Wav audio files in this package.

# License

You can use this asset for unlimited games.

One license per seat for personal and commercial use.

**You can't resell or redistribute the package or any single file from the package on any store!**

# Credits

All of the sound files are recorded, created and mastered by me.

I would like to say a *Thank You* for the vehicle owners who allowed me to record their car's and bike's engine sound in car and bike meetings and other public events. Some sound files are recorded from *dyno* videos found around the web.
